JAYDEN JAMES AND JAMES DEEN

PUMPING IRON-DICK

James is all over Jayden James the moment she gets home from spin class. "Come on! I want to shower!" Jayden says. James pulls down her zipper and frees her heavy tits. He fondles one breast and pops the other in his mouth. "I like you sweaty," he mumbles, jerking his stiff prick until Jayden bats his hand away and puts it in her mouth, sucking his rod all the way down, until her nose is buried in his pubes. His dick twitches and he starts cumming deep down Jayden's throat. She swallows it greedily. Protein is important after a workout!

“Give me a shot!”

OUT OF YOUR LEAGUE AND INTO HER PANTS

By PJ Festerling

A GEEZER'S GUIDE TO BANGING YOUNG BROADS

*"These days, scoring prime-time 21-year-old poontang is tougher than finding public beach access in Malibu. But, I'm hear to tell ya it can be done! All it takes is an honest time investment and some clever ingenuity. That's right, with my **Out Of Your League And Into Her Pants 'Geezer Guide'**—along with my **5 "Fucking Nuggets"**—you'll have some lovely young lass lickin' out of the crack of your ass in no time!—Jimmy Dickshot, "As Seen on TV!"*

I'm not going to lie—a lot of what you read in porn magazines is utter bullshit. *There, I've gone and said it!* You know what I mean, that hot, tall, 19-year-old Ruskie with the water-drop tits and crazy pigtails? Well, listen up shit for brains, she never read Vonnegut nor does she suffer from that ultra-rare medical compulsion that compels her to suck off every mook she meets.

Return Of The Rum Ball

Joining the dating world as a middle-aged rum ball hoping to score is akin to winning the job of door-to-door "used

dick" salesman. Think about it. You walk up to a potential prospect and before you even have time to whip out your merchandise and shove it through the mail slot you hear that awful, high-pitched cackle.

"You're gross! Like, get the hell out of here before I call the cops," at which point the door is unceremoniously slammed in your face.

Sound familiar?

Question is: *How many solid-brass door knockers are you willing to pound through until you succeed and grab her knockers?*

Buying The Groceries

Going someplace special with the intent of meeting and eventually *banging* a hot, barely-legal woman is a lot like pushing your shopping cart through the exotic produce

...there's an ugly flip side to sexy college freshman. Most are hopelessly addicted to their smartphones ...

section at an expensive yuppie grocery store. To some it's an intimidating chore, but to others with their ducks in a row, it's the ultimate goal: *Sex With A Woman 20 Years Younger Than Yourself!* And, get this, as an added bonus, it's sex with somebody who you actually *want to have sex with!*

Younger women are often more spontaneous, carefree, and come with less baggage than older broads. That's because they haven't spent decades fermenting in the

mundane dregs of adult life. Thankfully, they're quite naïve about the ways of the world and are usually more "experimental" in the sack.

That said, there's an ugly flip side to sexy college freshman. Most are hopelessly addicted to their smartphones and will be engaged in constant texting conversation for hours on end, with no fewer than six friends at the same time.

Fucking Nugget #1: There's NOTHING you can do to cure her of this habit, so don't even try!

Yep, accept this right off the bat—she's young, has a wet pussy, and likes to talk to lame people about lame shit. Get used to it, Fatso, even while you're fucking her, thinking you hit some kind of jackpot, she'll want to blab with her fucking legion of brainless bimbettes. Make peace with this fact now. If you make her choose between her phone and your decrepit cock, you lose, Buster. The fuckin' phone wins every time.

Strive To Be Less Repulsive

Face it, if you want to feast on hot, fresh, female hard-body from the inside you're going to have to get *your fat ass* into shape.

Already in shape, you say? Fuck you, Schlomo, get into *better* shape. It may suck, but it's true, unless you're a billionaire or own a professional sports franchise and can buy your way into 18-year-old vagina like it's a sold-out concert, you've got to do your your best to put your best club-foot forward.

And we're not talking about some kinder, gentler bullshit metaphysical version of your best-self; you can still be your regular scumbag self, you've just got to get more physically fit.

Take a long look in the mirror. Then again, perhaps a short peek is more than sufficient. If you even remotely gross yourself out, than just imagine how absolutely revolting you must appear to an 18-year-old firecracker with the world at her fuckin' feet?

Fucking Nugget #2: Snap out of it, Fuckface, this could be your last shot!

You have to remember, in the minds of young females, anyone with more than a few gray hairs and a steady job is regarded as a huge fucking burden, just another casualty awaiting another appointment at the free clinic.

Improve your lot.

Learning to cook, paint, and cultivate intellectual interests beyond the Super Bowl are things that are positive for you to pursue. Learning to skateboard in the dark parking lot of your neighborhood church *IS NOT*.

And don't hang your hopes on dating apps, either. You probably won't have much success with them because most young women will exclude men above the age of 40 in their primary search.

"Don't know what their missing", you might say to yourself, but who the fuck do you think you're fooling, pal?

Fucking Nugget #3: Go to the fucking gym every day until your reflection no longer frightens you!

Hot, young cherry is a delicious delicacy that has always been well-appreciated by men no matter the culture, creed, race, age, or socioeconomic class. When you think about it, women are really the one fucking thing on this entire planet that unites all (*straight*) men. Like they say, *There's nothing like a fully-packed strip club with tight, sweaty, young bodies dancing that brings everyone together*. And, of course, without saying, giving \$40 lap-dances to 70-second versions of your favorite songs.

Do you want a horse and buggy ride or do you want to gallop at top speed on top of a champion thoroughbred?

“Yes, Honey, I’m An Ass”

Embrace your past.

Maybe you’ve had a string of bad relationships that somehow turned into seven failed marriages and few orders of protection? *Been there.*

Maybe you have 10 kids by eight different mothers and don’t quite plan on spending the better part of the decade drooling in the state-run asylum? *Own it.*

Maybe you’ve had a string of bad relationships that somehow turned into seven failed marriages and few orders of protection?

There’s nothing worse than a young woman with Internet access and too much time on her hands.

Fucking Nugget #4: Recognize the moment she becomes repulsed by you, accept it, and use it to your advantage.

Because this bitch WILL rifle through your medicine cabinet, rape your computer password, and hack your fucking email.

Fucking Nugget #5: Change your passwords, every day.

The best way to stumble into a boneyard

in full bloom is, of course, compliments of a friend, but failing that you want to concentrate all your efforts on semi-social public events, like art gallery openings, museums, and arty movie theaters with lobby bars.

When you do meet your long-lost flexible fuck friend, assume your best posture, suck in your gut, and simply shut the fuck up. Wait for her to say something naïve or stupid and then correct her in your most polite flirtatious asshole voice. Wait for her first misstep and don’t be her dad; let it pass without calling her on it. She already has a dad and hopefully hasn’t fucked him. Use your years of wisdom on this planet to your advantage. Then remember how fucking stupid you a were at 18?

Expect to fail.

Expect the best, but expect the worst.

Most importantly, value yourself and your time above hers. Always make it appear like you have better things to do and always leave her wanting more...then give her the Number One gift women want most—*money*.

Stand your ground and face your fears. It’s not necessary to be a big spender to pull quality, post-high hobby hole. A man of any age with some kind of unique and authentic personal style is still valued.

And when you do speak, say something memorable, but it needs to be truthful. Young women enjoy the quest of discovering their life partner, but no woman, of any age, will allow you to lie to her.

So, she’s a curious young woman and, inevitably, she’s going to ask you exactly how old you are. If you don’t tell her, eventually she’ll wait until your dead drunk and then “roll-job” you like Butch Cassidy would in the open flats.

The first time she asks, don’t answer directly. Instead, ask her how old *SHE* is and why she likes older men. That distraction will work for 48 hours, max, and then, eventually, she’ll demand to know. Hopefully, you’ve already managed to fuck her. If not, simply tell her the truth. This is another example of your new “tight-rope” philosophy of not lying to her, but not exactly volunteering the truth, either.

Stormy Daniels is aptly named; she attracts trouble and controversy like a lightning rod. Her latest dust-up reportedly involves the very highest levels of American government. "I don't see what the big deal is," Stormy explains. "One of my ex-boyfriends landed an important job, and he doesn't want me to talk about our relationship. This isn't the first time this has happened. Probably won't be the last, either. I like powerful men!" Behind every powerful man is a powerful woman giving him a rusty trombone!

PRESENTS **INTIMATE STORIES** AND XXX ADVICE

WITH... **RILEY STEELE**

ALL PHOTOS COURTESY OF DIGITAL PLAYGROUND, AXEL BRAUN PRODUCTIONS

PORN VALLEY, CA—Riley Steele is literally a throwback to the days when contract girls were the biggest stars in porn. In fact, you could say Riley is the last of the great contract stars, beginning her career as a contract star for Digital Playground, to having been Axel Braun's Productions contract star for the past several years. Starring in virtually every ABP comic parody from *The Suicide Squad XXX* to *Supergirl XXX*, and having two huge showcase titles (*Riley Goes Gonzo 1 & 2*), Riley Steele is easily one of the best performers today.

Are you a very dominant or submissive person?

Submissive.

How similar are the real life you and your porn persona? What are the differences between you two?

The same. Off camera I don't have to think about performing for the camera, so in my personal life I can be a little selfish. (Laughs)

How did you come up with your porn name?

When I signed with Digital Playground, we were throwing names around and it just stuck with me.

What makes a performer go from being a porn girl to a porn star?

I think the Internet killed the term porn star, because anyone can say they do porn by simply taking their phone and posting them-

selves online. But to me a porn star were the contract girls of the industry . . . making movies not a scene or Internet scene.

If you could direct your own porn who would you cast and what type of theme would it have?

Sexy, timeless, kinky, hot, and nasty all at the same time. (Laughs)

If you could redo your first sexual experience would you and why?

Nope. I got exactly what I wanted.

Is it hard to date outside of the porn industry and why?

I never have been into dating too much. I just have the people I know and hang out with, so keeping it casual has been working out well.

How important is trust in a relationship?

Huge. It never works out if you try to build a relationship with no trust.

Ever fucked a fan? Would you?

I have, yes.

What would be your advice to a civilian guy if he wanted to approach a porn girl for a date?

I tell my friends this because they always want to try to get with my girlfriends in porn, and honestly you just kind of got to be in the right place at the right time.

Does size matter? Yes, no, and why?

Not really. You can have a huge cock, but if you can't use it I'm not a happy girl. I'd rather have a normal size cock that can really dick me down and keep me cumming.

Can you tell us something about yourself your fans would be very surprised to learn about you?

My guilty pleasure is to sit at home in comfies and binge out on reality TV and order in. Hibernating is my hobby. (Laughs)

How do you react when your fans recognize you in public?

I just say hi back, take the photo or whatever. It's a lot better when people say something instead of stare or follow you around the store. (Laughs)

What's your warning to new porn girls entering the business?

To be safe on and off camera. Protect yourself so you can protect other performers and the industry as a whole.

What's one superpower you wish you could have?

Mind control. (Laughs)

Anything you'd like to say in closing to our readers?

I love you all!

Be a part of Riley's life by checking her out on Twitter @xxxriley and on Snapchat at rileyxsnap.

FAITH LEON AND ABBY O'TOOLE

DOWN-ON ABBY

Fishnet stockings are torn off—and sometimes torn to shreds—in Faith Leon's sexual haste to get to Abby O'Toole's pretty Irish pussy. The gorgeous brunette is mad with lust, crazed with the desire to get her mouth on—and fingers inside—Abby O'Toole's tight, wet box. **"Do it, Faith! Make me cum! Make me cum!"** Abby screams, grinding hard against her friend's face. Everybody needs a friend like Faith!

Teagan Summers just completed her freshman year at community college, and the adventurous teen has landed a summer job at a “gentlemen’s club” called Big Dick’s sTopless Bee-Yatches. “I’m excited to learn bartending, restaurant management, culinary arts...whatever they need me to do!” Teagan explains. “It’s an amazing educational opportunity!” Sounds like it, Teagan. Can we teach you how to polish our knobs?

A full-page photograph of a blonde woman with a nose ring, sitting in a wooden chair. She is topless, wearing a thin necklace with a small pendant, and has a pink strap across her chest. She is smiling at the camera. The background is a blurred indoor setting with warm lighting. In the bottom right corner, there is a black rectangular box with yellow text.

VIXEN.COM PRESENTS

NATURAL BEAUTIES 6

IMAGES COURTESY OF VIXEN.COM

Greg Lansky has brought us so many golden moments with his Vixen.com imprint that they're too numerous to count. To start off 2018, Greg reaches from the past by bringing us the amazing, legendary Tori Black in a steamy *Basic Instinct* reimagining, turning in an incredibly erotic interrogation performance, complete with a not so subtle leg spread. Her amazing romp with Jean Val Jean definitely has us calling this one a cumback! Tori isn't the only multi award-winning performer featured, as *Natural Beauties 6* is packed with sizzling performances from previous award winners Ariana Marie, Abigail Mac, Bree Daniels, and "Starlet of the Year" nominee Cadey Mercury. In short, you cannot miss picking this one up for a fun, hands-down-your-pants good time.

TORI BLACK

Getting things off to a strong start, we see Tori walking towards her chair in front of a hardened cop, ready to talk about her comeback. To make things interesting, Tori leans back, crosses her legs, revealing her wet and-willing snatch, which gets the cop's attention. Tori plays it cool yet icy, but nevertheless delivers a hot, sexually seductive acting performance that makes you want to see more. Tori can still deliver dialogue as good as any of today's top feature performers, but it's in the bedroom where Tori rocks. After Jean Val Jean is tasked with taking her home, Tori almost orders Jean inside and throws herself at him, making out with him until his hard French dong is out, and she starts throat-ing it. Jean returns the oral satisfaction by diving into her throbbing pussy, warming her up for his French dick to pound her American MILF twat. It's an energetic scene that shows Tori has not lost any of her manhandling skills, or any of her sexual appeal that keeps you mesmerize. There's also a very good chemistry between the two—this was not just a paycheck scene—and the fire here burns for the entire 40 minutes. Put the remote away and just enjoy Tori's fully nude and slim body riding Jean in reverse cowgirl for almost 10 minutes, or jerk it to her ass going up and down when she's on top, her butt-checks exposing her tight starfish shaped butt-hole that's screaming to be filled (but unfortunately isn't). Tori doesn't disappoint, putting her all and giving viewers a scene that's more than their money's worth, proving she's still at the top of her game as a performer. Let's hope to see more of this vixen in future Greg Lansky productions.

ARIANA

After finding out her boyfriend's cousin is coming over and that he's good looking, Ariana seduces him by leaving the shower in just a towel, which she removes in front of her boyfriend's cousin and showing off her lean, athletic frame, and nice set of tits which he goes for, giving them a quick suck before making out with the exotic beauty. Ariana gets on her knees and starts blowing him non-stop, showing off her lack of gag reflex as she sucks on his big, thick, white Johnson. After a good while they move on to the couch where Ariana continues to own that cock in her mouth, and we're treated to her sexy eyes as she sucks dick. In mish, Ariana spreads her long legs wide and we get great POV views of her trimmed snatched as her new boy-toy plunges into that tight hole. There's not a shot where Ariana's sexy slim body doesn't shine literally, and she's in no hurry to wrap it up. She moans throughout adding a nice touch to this erotic follow-up to Scene One. Stay for the end to see a massive cum load dropped all over Ariana's face.

BREE DANIELS, CADEY MERCURY

Bree's husband, Jean, talks Cadey into going to their bedroom where Bree is waiting for her in black lingerie, drawing her into a sizzling lesbian tryst. Bree—never known as a hardcore b/g performer—absolutely kills it, sucking Jean's big hard dick in her mouth as soon as he enters to join in on the fun. Newbie Cadey kills it as well, nicely holding her own with the two veteran performers, at times even outperforming her older lady lover. But Jean dominates the two by getting them to throat his cock and making them taste each other's sweet cum juices off his prick. Cadey has an awesome toned body that's built for fun and that's exactly what Bree does as she tastes every sweet inch of her. Bree shines brightly in her new role as cougar to Cadey's kitten, but also takes the cock very well and she enjoys her pounding. Cadey proves why she's earned various best starlet nominee honors for the way her tight box manages to take all the cock and succumbing to Bree's advances convincingly. This scene never slows down, the editing here is superb quality, Greg Lansky's directing genius is at 100% here, and the casting shows really hot chemistry until the end, when the ladies gather around for a hot ball blast of French frog sauce.

ABIGAIL MAC

This scene is a continuation of Abigail's previous Vixen scene portraying a fashion model willing to do anyone to make it to the top. This time she seduces high fashion Italian photographer, Cristian. The two are soon making out with Abigail stroking his long dong, her twat getting wet by his aggressive fingering. She easily fits his monster cock in her tiny mouth and once she's done slobbering on, Cristian bangs her hard in mish, her legs spread to reveal her perfect natural body. We're further treated to more magnificent views of Abigail as she squats down non-stop on his cock in an extended reverse cowgirl shot. You can see the wetness shining on her trimmed bush, and her body trembling with orgasmic explosion the more she rides up and down his sausage. Abigail's fashion modeling future is secure the more she lets Cristian pound her pink twat then takes his load on her gorgeous face in an outstanding closing scene to end one of the very best Vixen releases.

Oh Zuzana, don't you cry for us! Just squeal your heart out while Gorge and Clarke pump their long, thick cocks into your mouth, ass, and pussy (in that order)! Zuzana's hooked up with George and Clarke for cum-soaked threeways every Friday afternoon for the last six months. "I find it's a nice way to adjust my mindset before heading into the weekend," Zuzana explains, welcoming the warm splash of cum on her cheeks. Exceptional personal management skills, Zuzana! See you next Friday!
